Prior Authorization Requests:

Items that do not appear on the above "pre-approved" list must obtain "prior-authorization" from DAIL. Determinations will be made based on the individual's unique circumstances as they apply to the current service definitions, policies and regulations. An insurance denial letter must be sent to DAIL with requests for items generally covered by Medicare, Medicaid, or private insurance. The case management agency may purchase the item and submit for reimbursement only after return receipt of the DAIL approved request. Refer to the "Assistive Devices & Home Modifications" section of the Choices for Care Operational Protocol Manual for detailed information and a list of "non-covered" items.
